Seesaw Hotspot

Seesaw is the best way of engaging students and family members with what students are learning in class. It is an app that students use to share their learning and provide an insight into the classroom!

I love using Seesaw and have a Seesaw station in my class where students go to record, see info prompts, feedback sentence starters and more! I also have my [request a selfie](#) station here for students to take selfies of their work & use the little pictures as reminders if we are busy or the devices are being used.

Check out [my website post](#) on how you can set up your Seesaw station too!

What's the apps?

If your students love following Santa and his Reindeer then check out [Reindeercam](#)!! This is an awesome app that provides your students with proof that Santa and his reindeer exist! So much fun and a great way to involve students. This is available on both Google and android devices. Have fun with this awesome app!

Twitter find

How do your students have student voice in the classroom? I love coming across great sketchnotes or visual representations of ways that can help teachers improve in the classroom. This image shared by [Holly Clark](#) really shows

explains what student voice and how we can improve in the classroom. This means more inquiry, reflections and choice in learning. Student voice is something I really want to work on next year so going to be saving this one!

Student	Voice
What It Is	Where we can Improve
Choice in Learning	Multiple Choice
HyperDocs	Worksheets
Re-dos	Strict Due Dates
Learning Reflections	End of Unit Tests
Inquiry	Class reading of textbook
? Formulation Technique	? 's at end of the chapter

Competition time!

Wow thank you so much for everyone subscribing and entering the competition to celebrate one year of What's 'App'-ening newsletters! Love reading your favourite parts and seeing some ideas on what you would like further for next year!

Congratulations to these lucky winners:
Hilary Thomet
Karen Belt

You have both one a Teachers Pay Teachers gift card and a gift card to resources from Mrs Priestley ICT! I will send you an email today!

Have a fabulous Christmas and see you in the new year!
