

Decodable text: The teaching sequence

Prior to reading

Choose the correct book for the sound you are covering or reading about.

Segmenting & Blending

Look at the words in the text.

Practice segmenting the sounds and blending these together.

Segment them out continuously. Then practice blending them again quickly.

Tricky words

Practice saying the tricky words. Read them over and over as a 'fast word'.

After reading

Talk about and respond to the text.
