

Maths write templates

These maths write templates are perfect for group teaching or shared maths activities. With a variety of templates, students and teachers can use these to document learning, share how they solved their questions and write answers!

The template consists of a top row with five boxes: three squares and two circles. Below this are two columns of horizontal lines for writing. At the bottom, there are two number lines: one from 1 to 20 and another from 1 to 10.
