No Cook Play Dough

Ingredients:

- 2 cups of plain flour
- 1/2 cup salt
- 2 tablespoon cream of tartar
- 2 tablespoon vegetable oil (baby oil or coconut oil works too)
- 1-1.5 cups of boiling water
- A few drops Glycerine

Extras

- Food colouring
- Essential oils

What to do:

- Mix the flour, salt, cream of tartar and oil in a mixing bowl.
- Add the food colouring to the boiling water, and then add it into the dry ingredients.
- Stir continuously until it becomes a sticky, combined dough.
- Add the glycerine and essential oils (if using)
- Allow it to cool down and then take it out of the bowl. Knead it vigorously for a couple of minutes until all the stickiness has gone
- If it is still sticky, add a little more flour until you have it just right.

Add in some fun extras for your playful learning, learning through play or provocation prompt!

Use tools around your home you might have like a rolling pin, blunt knife or spoon. Add in other elements to make your playdough exciting e.g. glitter, pompoms, googley eyes and more!
