

## Recording Self Assessment

Seesaw Post Date:

My voice is clear and easy to understand.			
I speak as though I am talking to a friend. I don't read like a robot			
I speak at a normal pace. Not too fast, not too slow.			
My voice has expression. It sounds interesting to listen to.			
I say all my words correctly without taking breaks, long pauses or saying ummm.			
I placed my device in a good recording spot. I didn't touch it or move it while recording.			

I can improve my speaking or recording by:
