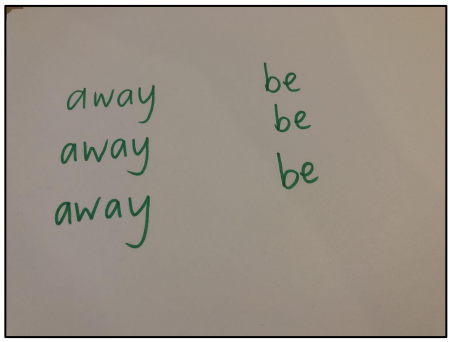
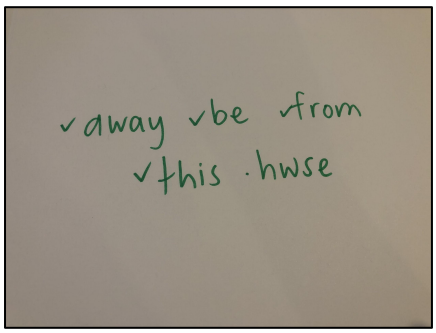
HOW CAN YOU PRACTICE YOUR SPELLING WORDS AT HOME?

Not sure on how your child can practice their spelling words at home? Choose one of these to do at home to practice the weekly spelling words. Simply tick or put a dot next to the word if spelt correctly from your activity.

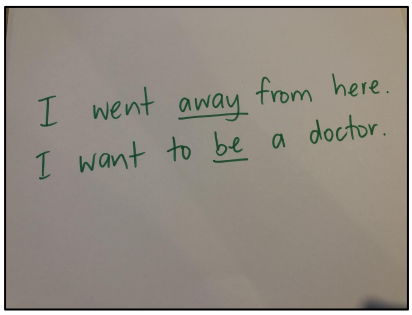
Ask your child to spell the word out loud.



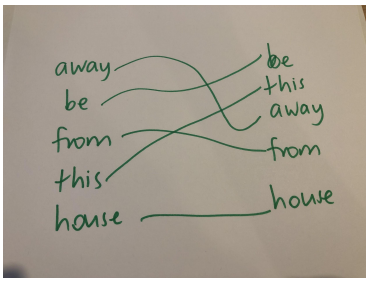
Ask your child to write each spelling word 3 times in the back of their books or on a piece of paper.



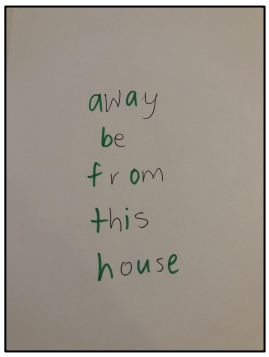
Ask your child to write each spelling word down in their books or on a piece of paper.



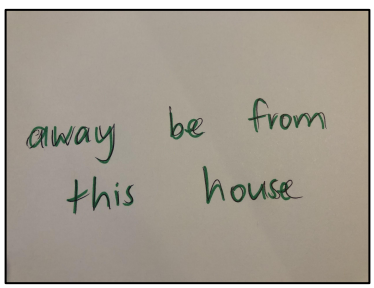
Ask your child to write each spelling word in a sentence that makes sense.



Ask your child to write each spelling word on each side. Draw a line to the same words.



Ask your child to write each spelling word in 2 different colour pens.



Ask your child to write each spelling word with rainbow colours. Use different colours to write on top each time.
