```
Tricky Words song
      the
                     he
             my
she
       to
                     We
             was
             for
      are
                    see
90
              her
```
